Parent/Guardian Permission & Dance Guidelines

I give permission for my student (named above) to attend the Catholic School Dance. By signing this agreement, I understand that I will be asked to pick up said student, upon notification of any disruptive behavior. By signing this agreement, I am also releasing dance organizers and chaperones of any and all responsibility for my child, including personal injury or damage to belongings that may be incurred due to any unforeseen incidents. Any financial liability that may be incurred by the student is the sole responsibility of the authorizing parent or guardian and not the responsibility or liability of the dance organizers and chaperones. I accept responsibility to ensure that my child is dressed appropriately* (*no halter tops, spaghetti straps, shirts off the shoulders, short skirts or short shorts, hanging trousers (below waist), no heeie shoes, hats, or hoodies will be permitted). Please also note, no gum is allowed at the dance and inappropriate dancing will not be tolerated. Phones and/or other electronic devices **are not allowed** at the dance. If your child brings one, they will be required to leave it with the check-in volunteers. Absolutely no pictures are permitted during the dance.

*I will bring my child directly to the dance and check in with an adult, and pick up my child from the dance and check out with an adult, **promptly at 9:30 pm.***
