To the Parents of students in Grades 6, 7, and 8:

An assembly on Internet Safety was presented to our 6th, 7th and 8th grade students this morning by Sgt. Bairos of the Manchester Police.

Attached is a Family Contract for Online Safety that you can use with your child(ren.) The topics that are covered in this contract were discussed at the assembly this morning. This document is for your personal use and is in line with the expectations for all students at Saint James School.

We are also coordinating an evening presentation for parents about internet safety. We will let you know when we have a date for this program.

If you have any questions, please do not hesitate to contact me directly.

Thank you.

Sincerely,

*Mrs. Bridget Zorger*

# Family Contract For Online Safety

## Kids Pledge

1. I will not give out personal information such as my address, telephone number, parents' work address/telephone number, or the name and location of my school without my parent's permission.
2. I will tell my parents right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone I "meet" online without first checking with my parents. If my parents agree to the meeting, I will be sure that it is in a public place and bring my mother or father along.
4. I will never send a person my picture or anything else without first checking with my parents.
5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do I'll tell my parents right away so that they can contact the service provider.
6. I will talk with my parents so that we can set up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online, and appropriate areas for me to visit. I will not access other areas or break these rules without their permission.
7. I will not give out my Internet password to anyone (even my best friends) other than my parents.
8. I will be a good online citizen and not do anything that hurts other people or is against the law.

I AGREE TO THE ABOVE:
