

EXTRA! EXTRA!

Do you like to ask questions? Do you like to write? Are you curious and creative?

Check out the Saint James School Journalism Club for grades 6-8!

We will be creating Saint James' first student run, student produced newspaper!

Learn about the process of collecting and reporting on the news, layout and design, printing and delivery.

It's YOUR paper, YOU decide what's in it!

The club will meet on Thursdays, 2:00 – 3:15. Students will be brought outside, in front of the breezeway for dismissal. Please be aware, some additional writing / editing *may* be required outside of club time in order to meet print deadlines.

Interested students should submit their names, a brief written statement about why they are interested in the club, and parental permission no later than Monday, September 30th.

I would like to participate in Journalism Club because:
