Chess is a fascinating game, which can be played and enjoyed at all levels. Educational research indicates evidence of a strong positive correlation between chess and student academic performance. The practical application of the skills learned while playing chess are the same skills necessary for academic excellence and lifelong success:

- **Concentration**
- **Critical Thinking**
- **Problem Solving**
- **Strategic Planning**
- **Creativity**
- **Pattern Recognition**
- **Analysis**
- **Evaluation**
- **Competition**
- **Good Sportsmanship**
- **Good Decision Making !!!**
