May 5, 2022

Dear Friends of Saint James School,

As we close out another successful year of learning and growing in faith, there is much good news to share from our campus here on Park Street in Manchester. Classrooms are returning to pre-pandemic normalcy, enrollment continues to be strong, and renovations will begin shortly for our school's new STREAM Innovation Lab.

Of course, the most exciting news is Saint James School's upcoming centennial celebration and we invite you to join us as we celebrate. The festivities will formally kick off on Saturday, September 17th with a Fall Festival on the grounds of our school. The following day (Sunday, September 18th) Archbishop Blair will be the celebrant for a special Mass at Saint James Church as we commemorate 100 years of Catholic education in Manchester. Immediately following Mass, a special open house and reception will take place at Saint James School, where we welcome alumni and their families, parishioners, community members, current families, past staff, and all other friends of our school to visit the classrooms and check out our new STREAM Innovation Lab. **Your generosity and loyalty helped us to reach this milestone; I hope you will join us on September 17th and/or 18th to celebrate!**

Today, it is my privilege to kick off our 2022 Annual Fund Campaign and once again ask you to invest in the future of Saint James School. This year Annual Fund donations will be used to further enrich the faith-filled educational experience provided to our students, support our talented faculty, and respond to unforeseen needs and opportunities that may arise. Every gift makes a difference!

I thank you for your consideration and look forward to celebrating 100 years of Saint James School with you in the fall.

Peace in Christ,
