Dear Friends,

As the school year draws to a close, we find ourselves once again immersed in those beloved end-of-year traditions that have shaped the Saint James School experience for generations. This season of celebration is also a time of reflection and renewal—a moment when we turn to you, our steadfast supporters, to ask for your continued commitment to our mission through a gift to our 2025 Annual Fund Campaign.

Your generosity provides immediate, essential support to Saint James School. Gifts to the Annual Fund help us keep tuition accessible, enhance both academic and spiritual programs, and invest in the tools and resources that allow every student to thrive in a nurturing, faith-based environment. Your support isn't just a donation—it's an investment in our students and the future of our vibrant Catholic community.

At Saint James, we believe education is about more than textbooks and test scores. It's about shaping the whole child—partnering with families to form young minds and hearts in faith, character, and academic excellence. Together, we are raising compassionate, confident leaders who are prepared to serve their communities and make a meaningful difference in the world.

Thank you for being an integral part of the Saint James School family, and for your continued faith in our mission.

Sincerely,

Mrs. Bridget Zorger
Principal
