

This June & July, join Saint James School friends and staff for a fun and enriching summer program right here at Saint James School! Every week will include crafts, special guests, faith lessons, and lots of outdoor activities. SJS Grade 2 Teacher Mrs. Nunes will be returning this year as our summer program director!

Six Weeks of Themed Fun: June 22nd – July 31st

Who Can Apply: Enrolled students entering Saint James School’s Pre-K4 Program through 4th Grade for the 2026-2027 school year.

Weekly Themes (choose one week or as many weeks as you would like):

| | | |
|---------|---|--|
| Week 1: | June 22 – June 26 | Heroes in Training! Get ready for an action-packed week as we discover our inner superhero through games, teamwork, creativity, imagination, and faith-based lessons. Each day will focus on a different kind of hero, such as firefighters, police officers, and mountain rescue teams. Participants will take part in challenges, crafts, fun activities, and missions inspired by the hero of the day. |
| Week 2: | June 29 – July 2 (no program on July 3rd) | Celebrate America! This week we will celebrate America’s 250th anniversary with all things Red, White, & Blue. Through crafts, games, and faith-based lessons, we will explore new frontiers, celebrate our veterans, and enjoy a week of fun inspired by the true American spirit. |
| Week 3: | July 6 – July 10 | Sports! This week, participants will rotate through a variety of sports, engaging in skill-building activities, friendly competitions, faith-based lessons, and team challenges—all while staying active and having fun. |
| Week 4: | July 13 – July 17 | Fairy Tale Fun! Join us for a magical week as we step into a storybook world of princesses, knights, pirates, and dragons. Through crafts, games, music, imaginative play, and our faith-based themes for the week, we will connect fairy-tale virtues like courage and compassion to the life and teachings of Jesus. |
| Week 5: | July 20 – July 24 | Animal Planet! This week we will explore a variety of habitats and discover their inhabitants through hands-on activities, games, stories, and crafts. As we learn about forests, oceans, deserts, and jungles, we will also connect with our faith by reflecting on God as the Creator, the beauty of His world, and our responsibility to care for our planet. |
| Week 6: | July 27 – July 31 | Summer Bucket List! Adventure awaits during the final week of our 2026 summer program as we dive into camping adventures, beach-themed activities, messy crafts, and plenty of outdoor fun with friends. Each day will also include faith-based lessons and moments of reflection as we head into the last month of summer. |
